

Europe's first spiritual school based on the original teachings of Jesus Christ

Do you feel the need to help people

Do you have gifts and don't know how to use them?

Do you want to change something in your life?

Do you want to grow yourself and live more in peace,
harmony and love?

Do you want to help your family and friends?

Do you already work with people and feel that you could do
more or that something is missing?

Do you have inner questions, that nobody can answer for
you?

Do you believe in God and are afraid to live your faith?

we look forward to seeing you!
